

Glenn Stevens

Executive Director

MICHauto

Vice President of Automotive and Mobility Initiatives

Detroit Regional Chamber

Glenn Stevens is the Executive Director of MICHauto and Vice President of Automotive and Mobility Initiatives at the Detroit Regional Chamber. In his role, Stevens provides strategic direction to the MICHauto program in its efforts to promote, grow, and retain Michigan's automotive and next-generation mobility industries. MICHauto is a statewide industry association focused on developing the state's automotive and mobility industry in the key areas of: Talent & Education, Advocacy, Industry Awareness, Mobility and the Start-up Ecosystem.

Stevens has more than 25 years of management, strategy and operation experience across the automotive, mobility, steel, specialty chemicals, and capital equipment industries. Prior to joining the Chamber, Stevens served as senior vice president of Membership and Sales with the Original Equipment Suppliers Association, where he was responsible for membership growth and retention, strategic partnerships, and automotive industry development with states across the nation. Additionally, his previous experience includes leadership positions with Blue Water Automotive Systems, Kolene Corporation, and National Steel Corporation.

Stevens serves on the Governor's State of Michigan Mobility Leadership Steering Committee and leads the Detroit Mobility Solutions Coalition. Additionally, he currently serves on the Board of Team 1 Plastics, the board of the Michigan State University Broad Executive Forum and serves on the Executive Planning Committee of the FIRST Robotics Championships. He earned a Bachelor's degree in economics and an Executive MBA from Michigan State University.
